# MASTER YOUR SPACE STYLE & TURN YOUR CHAOS TO ORDER

When you are in tune and living in your person space style, you're more productive and effective, giving you more time to focus on the things that are important. Your home and office then are a source of creativity rather than a source of distraction. This fast-start guide is designed to give you a general overview of your organizational personality - as determined by the results of the organizational personality quiz - as well as give you a few things to consider to match your personality to your personal style.

## CHARACTERISTICS:

- Preoccupied with neatness and the way things look, but arrangements make no sense
- Feels like you are getting organized when you are straightening things up
- Likes neat piles
- Avoids messes until they can be handled completely

## FEARS:

- Not being able to find things the moment they are needed
- Unfinished projects

## PRODUCT CONSIDERATIONS:

- Products keep things neat and efficient
- Stackable desk trays (with similar items sorted together)
- Boxes with labels

## BEHAVIOR CHANGE:

- Understand that both neatness and function must be considered when organizing
- Recognize that organizing doesn't have to be completely finished in one session
- Examine your systems periodically to see if they should be updated
